GRANITE

Granite is a popular natural stone that has been used in construction for thousands of years. It is a hard, dense stone that can withstand heavy use and is resistant to scratches, chips, and heat.

GRANITE IS COMMONLY USED FOR:

Countertops
& vanities

Flooring
& wall tiles

Facades
& exterior cladding

Monument
& memorial

Fireplace
surrounds

Kitchen
& bathrooms
sinks

Stair treads
& risers

Paving stones
& sculptures

SURFACES

QUARTZITE

Quartzite is a natural stone that is formed from sandstone and quartz under high pressure and heat. Each slab of quartzite is unique, with its own distinct patterns and colors, making it a popular choice for homeowners.

QUARTZITE IS COMMONLY USED FOR:

Countertops
& vanities

Flooring
& wall tiles

Facades
& exterior cladding

Tabletops

Fireplace
surrounds

Stair treads
& risers

Paving stones
& sculptures

MARBLE

Marble is a type of metamorphic rock that is formed from limestone that has undergone intense heat and pressure over time. Marble slabs are cut from large blocks of the stone and then polished to create a smooth, shiny surface. Marble is a natural and elegant choice for any construction or decoration project.

MARBLE IS COMMONLY USED FOR:

Countertops
& vanities

Flooring
& wall tiles

Facades
& exterior cladding

Tabletops

Fireplace
surrounds

Stair treads
& risers

Paving stones
& sculptures

OUR EXPERTISE

How Our Experienced Team Can Help You Select the Perfect Product for Your Project.

At Venezia Surfaces, our team of experts has extensive experience in the stone and quartz industry. We pride ourselves on our ability to help clients select the perfect product for their project, no matter the size or scope. Our team will work with you to understand your specific needs and requirements, including your design aesthetic, budget, and timeline.

QUALITY ASSURANCE

At Venezia Surfaces, we are committed to providing only the highest quality stone to our clients. To ensure the quality of our products, we have established a comprehensive quality assurance program. This program includes rigorous inspections of each slab, from the quarry to the warehouse, to ensure that only the best products are delivered to our clients. Our team carefully inspects each slab for defects, such as cracks, chips, and inconsistencies, to ensure that our clients receive a product that meets their expectations.

CONTACTS

At Venezia Surfaces, we value open communication and are always available to answer any questions or concerns you may have. Our team of experts is dedicated to providing exceptional customer service, and we are committed to helping you with your project from start to finish. To get in touch with us, you can visit our website at www.veneziastoneusa.com, where you can browse our selection of premium quality stone, and learn more about our company and services.
